

Side Notes: I did this arrangement on the fifth day of Quarantine away from my family when I had Covid-19. It's been a very lonely past few days. As I was thinking about the lyrics to this song, having been unable to have a "normal" home environment with my kids and feeling sick much of the time, I have to admit that this one made me get a bit emotional thinking through the lyrics. The past few days and now this song certainly have added new meaning to having a positive loving home life. I hope that as you play this it helps bring the spirit to your home.
