

Side Notes: This song is one of my favorite hymns. The words and music of this song took on new meaning for me as I struggled to find employment after graduating from college. After a long lesson learned I can now look back and see "the streams of mercy" that never ceased in my life. Each of us has struggles and challenges we must overcome, whether they be physical, mental, emotional, or spiritual. This song has become a constant prayer in my heart for courage and hope, because even though we may "wander from the fold of God" He is there to "rescue me from danger" with his sacrificing atonement.

I love how songs seem to write themselves at times. I searched for a few years for an arrangement of this song that I really liked. I never succeeded and finally decided to write my own arrangement. I've always loved the sound of high chimes because of the hope it inspires. When I took this arrangement to my brother for some help when I was stuck, he shared his piano arrangement he was working on and the pieces came together. I hope this arrangement will inspire you with the same hope I tried to portray.

Come, Thou Fount of Every Blessing

Arranged by
JENNIFER TONIOLI
 and **JASON TONIOLI**

With Feeling

Voice

Piano

Pno.

The musical score is written in 3/4 time. The voice part begins with a whole rest for the first four measures. The piano accompaniment starts with a piano (*p*) dynamic. The first system shows the piano part with chords C, G, and D in the first measure, followed by a *8va* marking and a dashed line indicating an octave shift. The second system shows the voice part with the lyrics "Come, thou fount of ev-'ry bles - sing, Tune my heart to sing thy" and the piano part with a *6* marking and a *8va* marking. The piano part continues with chords G and G.
