

Side Notes: This song isn't named after a place, but anywhere that I have been that is "special". Typically, this takes a few hours, if not many hours of travel. In some ways, I think the journey is what makes the place even more special. Some of my best memories of travel include times when we've packed as many cool things into a day as possible. Then when you finish the day, you are completely exhausted and are able to take a rest. This is the soundtrack for the end of one of those long days.

A Long Day

JASON TONIOLI

The musical score is written for piano in 3/4 time. It consists of four systems of music, each with a treble and bass clef staff. The first system begins with a piano (*mp*) dynamic marking. The melody in the treble clef starts with a half note G4, followed by quarter notes A4, B4, and C5. The bass clef accompaniment features a steady eighth-note pattern. The score is divided into measures, with measure numbers 7, 13, and 19 indicated at the start of their respective systems.
